Add a Network Week Profile Image or Picture Frame

There are two options to choose from: an image that's ready to upload and a frame that can be added to the existing profile picture with an easy-to-use template.

TO USE THE PICTURE FRAME:

1. Create a [free account](#) on Canva, a simple design tool, with your name and email address
2. Open the link to the [ATD Network Week Social Frame](#) template
3. Click the Upload icon on the left and upload a copy of the current profile picture (PNG preferred)
4. Click Share and Download on the right side
5. Select PNG as the file type and click Download again
